The Uniquely Singapore Child

Satan's strategic plan is to keep the children out of the local church. This is both a logical and effective sabotage of the Great Commission

17 November 2007 (Saturday) was a special day for all of us who take the call of Jesus seriously – 'Let the children come to me.' Child Evangelism Fellowship (CEF) Singapore is here to partner you.

Our Regional Director for Asia Pacific was here to grace the occasion

About 90 children workers from various churches participated in this Re-launched Seminar

Dr Wilson Phang, the speaker of that day, challenged us to rethink what's unique about the Singapore Child. As children's workers, we need to enter into their hearts and look into the world through their eyes. Discover your children. YOU ARE OUR EYES AND EARS. ☺

Meet the New National Co-ordinator ~ Ms Lorita Lim ~

Lorita came to know Jesus at the age of 14. There will ups and downs in her walk with the Lord and there was a period of time where she went astray. God is merciful and He draws her back into His fold.

God called Lorita into full time ministry in 1994 though Isaiah 6:1-8. A series of incidents happened that finally confirmed her call into fulltime ministry. One of the incidents was that she was suspected of nose cancer. However, after a series of tests and biopsy, she saw God's miracle in her life and from that point on she know there is no turning back.

After her theological study at Baptist Theological Seminary, she joined her church (Shelter Baptist Church) as a staff in the children ministry.

In 2004, Lorita signed up for the CEF Children Ministry Institute. This is a twelve week intensive diploma course.

Lorita came with a spectrum of work experience – as a Restaurant Manger, Customer Service Operator, Research Assistant and most recent assistant pastor with Shelter Baptist Church. Lorita has started her ministry with CEF (S) in March 2008 as National Co-ordinator. ☺

Testimony From Students of TCE Level one

Thank God for giving me this opportunity to be able to attend the training on 'Teaching Children Effectively One' Though I have been teaching in the Sunday School for 28 years, after going through his training, it gave me a greater passion for the lost.

Not only am I able to be equip with the skill of leading a child to Christ. It also gives me greater confidence on how to evangelise and to disciple the child. I learnt invaluable lesson on how to prepare lesson and presentation using visual aid to the saved and unsaved child. I also got to teach children to memorise verse in a very effectively and fun way. I benefitted a lot from the experienced trainers on how to counsel a saved child to admit his sins by thinking the bible lesson to him. I want to praise and thank God for all my trainers for sharing with me such invaluable experiences

Linda Tan, Glory Presbyterian Church

I thank God for giving me an opportunity to attend the TCE-1 training session held in March 2008.

This training was an eye-opening experience for me in many areas. The modules were organised in such a manner that it was simple, practical but yet powerful. I gained confidence to do God's work among the children. And it has given me knowledge of what to do as I continue to minister among the children.

The lecturers were good trainers who were approachable and who whole-heartedly imparted the knowledge to us. And now I am applying what I learned through this course in my daily life among the children and I could witness fruits of my labour.

I thank God for the trainers and the lessons and the invaluable experience I gained through this course

6 / 10 Wonder Book Project

This is an outreach campaign to reach out to a million children in Singapore and Malaysia who may not have heard the Gospel.

As Gospel partners, we like to challenge you or your church to buy 6 copies of wonder book at \$10 for pre-believing children. This wonder book can be used as an excellent gift for special occasions, events or activities:

- Gift for Children Day, Christmas or Easter
- Church wide outreach emphasis (Adults to give away to family friends' children)
- Or put copies at home, child care centres, school ministry or any Outreach points
